

STATEMENT OF RESPONSIBILITY

STATEMENT OF RESPONSIBILITY ASSOCIATED WITH USE OF DATA FROM INSTITUTO HIDROGRÁFICO

(name) _____,
identified by the following document _____,
valid until _____, do declare that read and agree with the following terms
related to the liability associated with use of data from Instituto Hidrográfico:

1. The license to use the following data (specify data) _____

is exclusively for (specify use of data) _____
_____,
as indicated in my request to Instituto Hidrográfico.
I summarize, in the box below, the scope and purpose of the use.

2. Any unauthorized use of the data, or its transfer to third parties, makes the applicant liable for abusive misuse of the provided information;
3. Its only allowed the publishing of syntheses results, or other products resulting from any specific software provided by the user, since it would not be possible to infer the original data, which remains property of Instituto Hidrográfico;
4. The user of the data should make proper reference to their origin whenever they are mentioned;
5. Any use of the data separate from their intended use is previously subjected to a new request for authorization;
6. The Instituto Hidrográfico will not be accountable for any damage or mistakes that may arise as a result of the manipulation made with the information provided.

Signature: _____

Place and date: _____

The violation of the conditions for the use of the data gives Instituto Hidrográfico the right to pursuit all legal actions at its disposal under the applicable law.
